

FIMRC

Foundation for International Medical Relief of Children

Who We Are:

FIMRC is a non-profit organization whose mission is to provide access to medical care for underprivileged and medically underserved families around the world. We are a community of individuals dedicated to ensuring the provision of healthcare.

What We Do:

Through various health and education initiatives and outreach programs tailored to each project site, we are dedicated to improving the health of families in the developing world. We work alongside community members in ensuring that they have access to adequate healthcare and other sustainable resources.
